

# WHY SHOULD MINORITIES VOLUNTEER?

## BENEFITS OF VOLUNTEERING FOR MINORITIES & REFUGEES

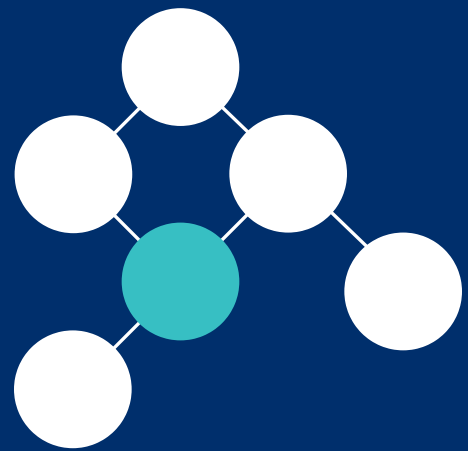

### 1 DIVERSITY ALLOWS PEOPLE TO LEARN FROM EACH OTHER

As people of different backgrounds volunteer with each other, everyone has the opportunity to learn and understand new points of view. Understanding of the world expands.

### 2 VALUABLE CONTACTS AND CAREER OPPORTUNITIES

Volunteering can be a great way to find a new job or career. Volunteers often have different professional contacts and can be a valuable resource in moving forward professionally.

### 3 SOCIAL INTEGRATION & STRONGER COMMUNITIES

Volunteering can help everyone overcome prejudice and mistrust. We learn to appreciate others' differences.
