REQUIRED REPORTING OF FINANCIAL PERFORMANCE:

The GRANTEE hereby assures and certifies that it will comply with all appropriate federal guidance applicable to their organization found in 2 CFR Part 200, Subpart F –Audit Requirements as well as Utah State requirements for a non-profit entity, specifically, UCA 51-2a-201 and 51-2a-201.5 which requires a nonprofit organization (NGO) to disclose annually, whether the NGO received a minimum of $25,000 in combined federal pass-through, state, and local money in both the previous year and the current fiscal year, to the State Agency which provided state or federal pass-through money.

Additional reporting is required by law to the State Auditor and will vary, depending on the amount of total federal, state and local funding received from all sources during an NGO's fiscal year. The type of report required to the State Auditor is based on the following thresholds:

• More than $25,000 but less than $100,000 requires a fiscal report to the Auditor,
• More than $100,000 but less than $350,000 requires a compilation of its accounts by an independent CPA,
• More than $350,000 but less than $750,000 requires a review of its accounts by an independent CPA,
• More than $750,000 requires an audit by an independent CPA. Definitions of each of these reports are found in UCA 51-2a-102.
