

2024 AmeriCorps Funding Opportunity

UServeUtah, the Utah Commission on Service and Volunteerism, will be accepting applications for the operation of Utah State AmeriCorps programs. AmeriCorps supplements nonprofits, community organizations, and public agencies committed to addressing critical community needs in areas such as education, disaster services, healthy futures, economic opportunity, environmental stewardship, and veterans and military families. Grantees and sponsoring organizations are responsible for recruiting, selecting, and managing members. New programs selected through this process will begin operation in the fall of 2024 and must support a minimum of 10 full-time AmeriCorps positions or a part-time equivalent thereof. One-year planning grants may also be available for the specific purpose of planning for the operation of an AmeriCorps State program.

The application process will be explained in detail at the **mandatory** AmeriCorps Funding Technical Assistance meetings. **Those interested in applying must attend one of the following virtual meetings:**
