

Evidence Item 6

Write or revise a volunteer satisfaction survey.

Create a strategic volunteer survey and include the following elements:

- Overview: provide volunteers with a brief overview of the purpose and goals of the survey. Communicate the importance of truthful responses.
- Questions: Include a mix of satisfaction rankings and open-ended questions that relate to organizational goals.
- Thank you: Don't forget to express appreciation to your volunteers for providing their feedback.

For this evidence item please upload the survey to the folder.
